Mrs. C. G. Bell, who has been visiting in Salt Lake City for the past ten days, has returned and reports having had a splendid time, just "playing" around with her many friends at that place.

Miss Winnifred Corry has returned from Salt Lake City, where she has been "resting" for the last few days. She managed to mix a little fun in with the rest, just enough to make things interesting.

FOR RENT.—Four beautiful cool rooms with modern conveniences. Terms reasonable.—Pioneer Apartments. Phone 144R or 106W.—Adv.1w.

Mr. and Mrs. W. J. McConnell are spending a few days in town, resting after the severe ordeal they have been through in the death of their brother. They will return to LaVerkin next Sunday.

The Misses Jennie and Ellen Lunt, daughters of Mr. and Mrs. Oscar Lunt, will leave early next week for Provo, where they will spend the summer with their aunt, Mrs. Louise Rouley.

J. W. Imlay of Hurricane brought Mrs. Geo. McConnell and family and Mrs. S. J. Pollock up last Monday morning and returned home Tuesday. Mrs. S. J. Pollock returned with him to look after her daughter's affairs for a few days.

Mr. Larson of Hurricane came up last Monday to bring Mr. S. J. Pollock, George Pollock and Bert McConnell to attend the funeral services for George McConnell. On account of trouble with their machine, the party arrived too late for the services.

Mr. J. W. Bergstrom and wife came in Wednesday from St. Louis, where Jake has been pursuing his studies with a view to attaching an "M. D." to his name. They will spend the summer in Cedar City, when they will return to the East as the young doctor still has one more year's work to complete.

J. G. Pace has traded in his old Dodge car on a new one, which he would drive home from Salt Lake City on his return from the metropolis with Mrs. Pace.

Mr. B. F. Knell has "swapped" his light six Buick stage car in on a new Hupmobile, seven passenger car, which is now here for service on the route between here and Lund.

Messrs. G. R. and Chauncey Parry have their two new nine-passenger National touring cars here, which will be employed on the Zion Canyon passenger route between Lund and the Wylie camps in the canyon.

A number of the business houses have now erected flag poles and are displaying the national emblem. A little enthusiasm along these lines does not come amiss, especially in these war times.

Mr. H. C. Bement made a trip to Toquerville last Wednesday, bringing S. R. Wilkinson and wife as far as Cedar City, where they have secured rooms in the Aggie Wood residence for the summer.

Word has been received here that all the Marine boys from Cedar City, passed their final examination and left for San Francisco yesterday. Cedar may well be proud of her patriotic young heroes.

The little son of Dr. Petty, who was injured in the automobile accident last week, is improving nicely, the critical period having been passed, though he will carry the scars to his grave.

There are five more aluminum sets and one 100-piece dinner set, to be drawn for every Saturday afternoon at 3 o'clock, at the Palace Drug Store. Every 25c. purchase gives you a ticket on each drawing. Be sure to ask for your tickets. It may be worth your while to do your trading with us.

The people of Cedar surely appreciate good music, and they take every opportunity of hearing the best. This was evidenced last Sunday evening at the tabernacle at the concert given by the music school instructors. Every seat was occupied early and those coming late had the choice of going home or standing in the vestibule in order to hear the numbers. Of course they stayed to hear even if they could not see the performers. Come early next week to secure a seat.

Those who missed Dr. Bank's lecture on Prohibition, certainly have cause for regret, as the speaker was unquestionably master of his subject, with power to carry the issue home to his hearers. Prof. Roylance also contributed a beautiful violin solo, which together with the singing of America by the congregation, made up the sum of the evening's entertainment. The only regret concerning meetings of this kind is that the persons who need the talk the most usually are not in attendance. They are doubtless afraid to trust themselves to hear lest they be converted against their will.

Mr. and Mrs. John Dalley and family motored down from Summit yesterday, interviewing the business people of Cedar City.

Mrs. Elzinga Hulet, Mrs. Nora Madson, Mr. and Mrs. William Smith, of Summit, were noticed among the visitors to Cedar City yesterday.

J. D. Southwick of Lund was transacting business in town yesterday and made The Record a brief call. Always glad to see our out-of-town subscribers and friends.

Carl Gardner is confined to his bed with a severe case of acute tonsillitis. Dr. Leonard reports him as progressing as favorably as the serious nature of his disease will permit.

Mr. J. M. Taylor, one of the directors of the Iron Commercial & Savings Bank, was noticed in town this week, on one of his periodical trips for the Z. C. M. L. hardware department.

Mr. and Mrs. John H. Williams of Kanarra were in town yesterday attending to matters of business, including, among other things, the placing of his subscription to The Record a year to the good.

Mr. and Mrs. Arthur Fife are receiving congratulations on the arrival of a fine boy on the 10th inst. Dr. Leonard should arrange his work so that he will be better able to observe the Sabbath.

Ask Mrs. David Pryor, Mrs. Lottie Esplin, Mrs. George H. Wood, Mrs. Lemuel Stephens, Mrs. Josephine Isbell, Mrs. S. A. Barton, Mrs. Joshua Walker, Mrs. Sam Bauer, Mrs. Warren Cox, and many others what they think about the aluminum sets they have won by trading at the Palace Drug Store.—Adv.1w.

Mr. and Mrs. William Butler of Lund were in Cedar City yesterday, the former representing a wholesale drug house of Ogden, and the latter shopping and visiting among friends here.

The 16 year old son of Emanuel Jacobson entered the Macfarlane Hospital last Wednesday and had a 38 calibre bullet removed from his shoulder, which he received accidentally a number of years ago. The bullet had begun to trouble him of late, interfering with the motion of the muscles.

Roy McConnell, the fifteen-year-old son of Mr. and Mrs. George B. McConnell, was taken suddenly sick last Tuesday night while attending the picture show and had to be taken home for assistance. His symptoms gave strong indications of ptomaine poisoning. As he was at the camp with his father at the time his poisoning took place it is believed Roy's sickness was traceable to the same origin.

S. E. & L. A. To Meet June 22.

The S. E. & L. A. will meet at the home of Sarah Melling June 22. Roll call will be answered with patriotic sentiments.

Each lady is requested to bring a small flag, made by herself. A good program and a jolly good time is promised so please be out. JENNIE B. PERRY, Secretary.

WHY FIRST ISSUE IS FOR TWO BILLIONS

"The first issue of bonds—\$2,000,000,000—has not been determined by any arbitrary decision or judgment; it has been determined by the actual necessities of the situation. It is the least possible sum that we can afford to provide for the immediate conduct of the war. We are trying to spread the payment for the bonds over as large a period as possible so that there shall be no financial disturbance, and we are going to redeposit the proceeds in the banks upon some equitable plan so that there shall be no interference with business. This money is not going to be taken out of the country."—Secretary McAdoo.

THE WEEK'S OFFERINGS AT THORLEY THEATRE

Following is the program of moving picture plays to be shown at the Thorley Electric Theatre during the week beginning Monday, June 18th: Monday—"The Valiants of Virginia," featuring Kathryn Williams. Saturday—6 reels by the Mutual Film Corporation.

Miss Thelma Knell, who has been spending the past four weeks at her home in Pinto, returned here Friday in order to receive instruction in the Music School this summer.

Mrs. Ethyl Rainie of Richmond, Utah, is visiting here with her sisters Mrs. Monroe Benson and Miss Carrie Jensen. Mrs. Rainie was formerly Miss Ethyl Jensen of this place, but for a number of years has been in Richmond, first as school teacher and has lived there since her marriage.

A most delightful dancing party was given at the home of Mr. James Smith, Thursday evening, when the Misses Corris Lunt and Ann Smith entertained. The beautiful residence was decorated in all the national as well as the allied colors and flowers. Luncheon was served during the evening.

The program and dance given Saturday night in honor of the Cedar City volunteers were attended by a large crowd. The program was held in the tabernacle, which was decorated in the national colors. Singing by the Lotus Chorus, speeches by Mr. E. H. Ryan and Sargent Stump made up the program, after which a dance

YOUNG MARINE TAKES WIFE

Last Saturday evening, Mr. Braynor Wood surprised his friends by quietly taking unto himself a wife, almost on the eve of his departure for the marine camp at San Francisco. The bride is Miss Elera Thompson, daughter of Mr. and Mrs. David Thompson of Newcastle. The ceremony was performed at the Wood residence about 8 p.m., Bishop Matheson officiating.

The groom left with the Marines on Monday afternoon. The bride is cheerful and optimistic under the rather trying circumstances, and we can but wish them a happy and peaceful ending to their married career.

MRS. JOHN FORD, DEAD

Word was received here yesterday morning of the death of Mrs. John Ford at Salt Lake City, where she had been taken for treatment. Funeral services will be held at Richfield where the family have resided for some time.

Mrs. Rebecca Anderson and Mrs. John Hamilton, sisters of Mr. Ford, together with other relatives from Kanarra, left this morning to attend the funeral. Mrs. Ford has been a partial invalid for some time, from the effects of a paralytic stroke, so that the end was not entirely unexpected.

Whooping Cough.

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy and it worked like a charm."—Adv.

SHOCKING DEATH OF C. B. McCONNELL

(Continued from first page.)

ton. Opening Prayer was offered by Elder H. W. Lunt, and the benediction was pronounced by Elder Samuel T. Leigh. Vocal solos were beautifully rendered by Miss Helen Nelson and Mrs. Annette Bettenson. "Nearer My God to Thee" was given by the choir, led by Mr. Salt. The speakers were Bishop Matheson of the West-Ward, Elder Jos. T. Wilkinson and Superintendent Nutall. Interment in the city cemetery was witnessed by a large circle of relatives and friends.

BIOGRAPHICAL.  
George Barrett McConnell was born in Cedar City on March 4, 1875. He was the son of Henry H. and Eliza McConnell, the latter of whom survives her son, though in rather feeble health, and to whom the tragic death of her youngest living son, comes as a severe and almost unbearable trial. He was married in 1901 to Miss Rebecca Pollock. Besides the widow, four minor children are left to mourn his loss, the eldest 15 and the youngest 8 years of age. He was devoted to his family, who feel his loss an almost unendurable affliction.

We do not intend to be drawn at the chariot wheels of any military ap-tocracy."—Secretary McAdoo.
